SPLASH FM ANNOUNCES IT'S BIGGEST PARTY - EVER!

Worthing-based radio station Splash FM has announced details of it's biggest summer concert ever!

"The Splash FM Garden Party" is back for 2010, and this year it's a two-day event, taking place in Steyne Gardens on Friday the 16th and Saturday the 17th of July

On the Friday evening, there's an evening of nostalgia and nightlife! There'll be a stunning tribute to the legendary Tamla Motown label, courtesy of singing quartet "Mission Blue". To round off the evening, six-piece band 'Boogie Wonderland' will be wowing the crowds with a pulsating selection of classic disco hits from the 70's and 80's - including classics from Chic, Kool and the Gang, Earth, Wind and Fire, Shalamar, Hot Chocolate and Barry White.

On the Saturday, Splash FM pays tribute to three of the biggest names in the world of pop. Performing on the night:

GIRLS ALLOWED

A stunning female quintet, performing the songs of 'Girls Aloud' - the UK's most successful girl band ever, with 20 consecutive top 10 singles, 4 number ones and 6 platinum albums.

THE GREATEST

An outstanding tribute to the mighty 'Take That'. This group appeared at last year's event, and the audience reception was so amazing, they've been asked back for more!

NAVI THE WORLD'S NO.1 MICHAEL JACKSON IMPERSONATOR

A stunning tribute to the King of Pop, who passed away last summer. Navi has performed as Jackson in 54 different countries across five continents. He's visited the Neverland ranch through a personal invitation from the man himself, and has performed for Jackson on a number of occasions, including being the opening act at his birthday party in Los Angeles. Reaching his 20th year in the business, Navi is not only recognised by Michael Jackson but appreciated in venues & audiences across the globe.

There will also be a late afternoon support slot on the Saturday, featuring top local act Jag.

Splash FM Operations Director, David Cunningham, said "last year's Garden Party was a new-style event for us, and it has to be said that it was a resounding success. This year, we have decided to make the event bigger and better than ever before by making it a two day event, which gives us the chance to book a greater variety of acts, and truly provide something for everyone".

Like last year's concert, the Garden Party will have a good number of facilities within Steyne Gardens - including refreshments, hot and cold food and public toilets

Tickets for the event are available for a limited time at the special price of £5 for one evening, and £8 for both.
